### AACA Night at the Museum Reception & Charity Auction Sponsored by RM Auctions

Back once again is the major fund raising event of the year for our Museum, Library and Club. Join us this year for a special evening that is sure to be a welcome respite from a fast paced week. The night will include fun, food, live and silent auctions. The gala will be held on October 6th. Our goal this year is to make the night fast paced with a minimum of speeches and loads of fun!

This year's theme is "Pump Parade." We are sure you can recall the large painted animals done for the streets of many cities and towns over the last few years. We have assembled six world famous artists to decorate full size metal gas pump replicas in designs of their choosing. These will be fabulous, one of a kind, pieces of petroliana art that you would be proud to have in your collection. Artists include Ken Eberts, Roger Blanchard, Dan McCrary, Tony Sikorski, Sue Steele Thomas, and Dave Snyder.

### AACA at 75

By the time you are reading this our special celebration of our 75th Anniversary in Louisville, KY will be but one more chapter in our history. However, all of 2010 is a celebration of our long heritage as the leader of the antique car hobby. AACA will be providing a special memento to all the winners of awards at Hershey as well as at every meet this year. In addition, the Hershey region will provide their usual special token of appreciation to our judging community which will also highlight our 75th.

The club has produced a phenomenal new 144 page book commemorating the past 75 years. Veteran "Hershey" attendees will view page after page of great memories of the days of a small show in the stadium, mud and the current extravaganza. This book will be available in the Chocolate Field (C3H-7) and in front of the Giant Center on the Green Field. A host of new merchandise to celebrate our 75 years will be available for purchase along with our special commemorative T-shirt. Limited supplies of special coins and cloisonné license plates from the Louisville event this summer are also a part of the offerings by the national club.

It is expected that the AACA Library & Research Center and the AACA Museum will combine at their past location on the Chocolate Field but under one tent and will be hosting several nationally known automotive writers who will be available to personally sign copies of their work. Make sure you stop by and visit!

AACA looks forward to continuing the year long Diamond Jubilee during the Eastern Division Fall Meet in Hershey. It is the most fitting final stop to our meet season and we look forward to seeing you. It will be a great time for us to say "Thank You" for helping us to reach this great milestone of 75 years and the world's largest antique car organization!
